## MEMBERSHIP APPLICATION

THE SUSSEX BRITISH MOTORCYCLE OWNERS CLUB was formed in May 1986 for anyone owning or having an interest in British motorcycles (even vaguely), but these days it welcomes any make, any age (bike or rider), any origin and even these days electric motorcycle or scooters. It meets every Monday evening (except Bank Holidays) from 7.30pm to 10pm at the Climping Village Hall on the A259 (50 yards from the Ford Rd roundabout).

We enjoy use of the Climping Village Hall Sports & Social Club facilities including a licensed bar and a large car park with hard standing for motorcycles. To accommodate the wishes of our now 100+ strong membership and apart from the very sociable Monday meetings we undertake a variety of activities. Weekly day runs around local lanes before usually adjourning to one of the many hostleries that welcome bikers. For those who wish to ride further afield we also go to shows, places of interest or museums and you will find full details on our Events Calendar. Social events also are popular with quizzes, skittles, disco or band night and partners and friends are very welcome.

So if you like to socialise with like-minded people, ride motorcycles, restore them or just talk about them then this is the Club for you. Although the Club covers a lot of activities it is informal and, at times, CHAOTIC!! Why not drop in to see us, we are a friendly bunch and visitors are very welcome. If you like what you see then perhaps you'll join us. Membership only costs £25 to join which includes your first-year subscription of £20.
